

# VULKEM<sup>®</sup> GRIP

PRO SERIES

## NO HOLDS BARRED CONSTRUCTION ADHESIVE

Need serious adhesion? Tremco delivers with its quick tack Vulkem Grip adhesive, locking in strength you can rely on!

- Instant grab technology acts as a second set of hands - reducing the need for additional fasteners and clamps
- Exceptional flexibility absorbs movement, impact, vibration, and fatigue stress for a strong, durable bond
- Bonds wet surfaces<sup>1</sup>
- Non-Sag hybrid polymer formulation for vertical and horizontal applications
- Interior/ Exterior application - resistant to UV, weather and aging

**IDEAL FOR:** Concrete, masonry, metals, wood, vinyl, aluminum, plastic, brick, stone, ceramic, marble, granite, drywall, foam board and more.
